

Victory Heights Community Council  
Meeting Minutes September 19, 2017

Meeting called to order at 7:01 PM by President Ann Forrest. Seventeen people present.

Katy Bang with Seattle Parks told Ann that the plan is to finish the playground renovation in Victory Heights Park in November. Drainage issues and then the concrete workers' strike delayed progress during the summer. The field drainage and pathway work will be put off until things dry off in the Spring (summer?).

We heard many great tips about disaster preparedness. Considering what has happened recently in Houston, Florida, Puerto Rico, Mexico City, etc. this couldn't be more timely. A few things here and there planned ahead can make a world of difference when you need it.

There was a suggestion to do a "Find It, Fix It" month walk to let the city know of any issues. The planned monthly Clean Up walks was deferred, perhaps there is a way to combine both. In any event, there was interest in monthly walks around the neighborhood.

Next month's meeting has been dubbed "Socktober": Bring used socks, gloves, mittens to be donated to homeless shelters. That will be October 17<sup>th</sup> at 7 PM in the co-op preschool building in the park.

Meeting adjourned at 8:00 PM
